

Project Engineer at GR Electrical Services Ltd

Company Description

GR Electrical Services Limited, an esteemed independent manufacturer established in 1975, boasts an impressive 49-year legacy in the switchboard industry. Headquartered in Leeds, we specialize in offering comprehensive power distribution products and services tailored to exact client requirements. Our commitment to delivering projects of the highest quality within stipulated timelines and budgets has been the cornerstone of our reputation.

Role Description

We are currently seeking a dedicated Project Engineer to join our team in a full-time on-site capacity. The successful candidate will play a pivotal role in overseeing day-to-day project management, planning, design, and engineering activities. The position requires strong electrical engineering expertise, and responsibilities will include:

Cradle to Grave Project Engineering:

- Managing the entire project life cycles from order to invoice
- Mechanical design - Inventor
- Creating electrical design schematics
- Efficiently ordering of parts
- Supervising the manufacturing process of the project
- Handling amendments and variations
- Conducting Witness Testing and Factory Acceptance Tests (FAT)
- Coordinating deliveries and installations
- Organizing Site Acceptance Tests (SAT)
- Full and sole client interfacing

Qualifications & Skills

We are looking for candidates with the following qualifications:

- Excellent communication skills
- Proven experience in project management and project engineering
- Ability to plan and execute projects from initiation to completion
- Proficient in electrical engineering principles and practices
- Some knowledge of Inventor & AutoCad is required
- Competence in reading, producing, and interpreting technical drawings and schematics
- Previous experience in the switchboard or power distribution industry is preferred
- Minimum HNC in Electrical Engineering or a related field

Package

- Salary = £40,000 to £50,000.00
- Bonus
- Company Pension
- Training Available
- 08:00AM to 17:00PM - Monday to Friday

Joining GR Electrical Services Limited offers not just a job but an opportunity to be a part of a dynamic team, contributing to the success of projects that make a real impact. If you possess the required skills and are ready for an exciting challenge, we invite you to apply and be a key player in our continued success.

If a career in real manufacturing is what you are after GR Electrical Services Ltd is your next step. Contact James Rawlings - james@gr-electrical.co.uk
